## **DETAILED ACTION**

### ***Specification***

The examiner notes for the record that in the interest of furthering prosecution a clean copy of the abstract of the corresponding PCT on a separate sheet of paper has been added to the file.

### ***102 Rejections Withdrawn***

The rejection of claims 17, 18 and 20-32 under 35 USC 102(b), outlined in the previous Office Action, has been withdrawn. Applicant's arguments have been carefully considered and are persuasive. The examiner is now in agreement with applicant that WO 94/26704 neither teaches nor suggests the instant method of reducing the craving for food, nor can this method be considered necessarily intrinsic to the "treatment of obesity" of the cited prior art.

### ***Allowable Subject Matter***

Claims 2-14, 16-18 and 20-45 are allowed for reasons of record and those above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
